MICROSHIELD®
by schülke

PERFUME FREE
COLOUR FREE

MICROSHIELD ANGEL CLEAR™
Antimicrobial Hand Gel

The latest addition to the MICROSHIELD® family is colour free and perfume free.

MICROSHIELD ANGEL CLEAR™ offers the same great skin feel properties and effectiveness as MICROSHIELD ANGEL BLUE® but without any added colour and perfume. This new formulation is particularly suitable for those who may have an increased sensitivity to added dyes and fragrance. Keep your hands feeling soft and smooth with MICROSHIELD ANGEL CLEAR™ now available in two convenient pack sizes.

- Colour-free
- Perfume-free
- Kills bacteria without water
- pH balanced
- Enriched with emollient and moisturiser

Application areas

- Indicated for rapid hand disinfection.
- Suitable for use before and after every patient contact and in between hand washes.

Instructions for use

Onto clean dry hands, apply 3ml or enough product to thoroughly wet hands ensuring all areas are covered. Rub for 30 seconds and allow to dry.

For soiled hands, wash with MICROSHIELD® Skincare Cleanser or Handwash (or equivalent) and water before using.

Product data

Contains 70% v/v Absolute Ethanol and Phenoxyethanol.

Microbiological efficacy

Application area	Concentration	Contact time
Hygienic handwash, EN1500	ready-to-use	30 sec

Special advice

Always read the label and use only as directed.

- For external use only. Do not swallow. Keep away from fire or flame.
- Keep out of eyes. In case of contact, immediately flush eyes with water.
- Discontinue use if skin irritation or redness develop.
- Do not use after the expiry date.
