NEW IN ILLUCO DERMATOSCOPES!

SSS Australia is proud to introduce the Illuco range of dermatoscopes to our portfolio of diagnostic equipment. Manufactured in South Korea, Illuco dermatoscopes are engineered with precision optics, powerful LED illumination, and an ergonomic design to support accurate skin assessment and early detection of dermatological conditions. Lightweight, reliable, and easy to use, the Illuco range delivers exceptional diagnostic performance for general practice, skin cancer clinics, and dermatology professionals.
