As of April 2025, GloveOn Celeste has transitioned to GloveOn Avalon

To align with their commitment to sustainability, MUN is transitioning from GloveOn Celeste to GloveOn Avalon. GloveOn Avalon gloves offer the same trusted quality you rely on, with the added benefit of being biodegradable, supporting a more sustainable future.

Avalon gloves are exactly the same in their features to Celeste:

- Fingertip textured
- Powder free
- Not made with natural rubber latex
- Chemo drugs tested
- Lab chemical tested
- Ambidextrous
- Standard cuff
- Violet blue colour

Shop Avalon Gloves or speak to your Personal Account Manager about your other glove options today!

SUPER ABSORBER  
DRESSING

NOW IN 10x20cm  
A LARGER SIZE

Engineered for excellence in managing heavily exudative wounds, Medstock Super Absorber is your go-to dressing for effective exudate control and healing support.

With its advanced absorption technology and patient-centric design, it's redefining exudate management performance.

EXCEPTIONAL ABSORBENCY

- Absorbs and retains up to 40 times its own dry weight in fluid—perfect for wounds with very high levels of exudate.

COMFORT MEETS INNOVATION

- Upgraded with a new low-profile design, comfort and conformability are maximised without compromising performance.

NOW IN A LARGER 10x20cm SIZE

- Specifically designed to manage larger wound areas—more coverage, same trusted performance.
