All pricing shown excluding GST, Additional 10% GST will be added to these prices. All vaccine orders are freight free although orders under \$500 will incur a Packaging Fee of \$20+GST. Cold Chain Delivery Restrictions apply to some areas and additional shipping may apply. No returns on cold chain or scheduled medicines purchased from SSS Australia. Pricing valid 01/07/2026 - 31/07/2026 E.&O.E.

OUR COLD CHAIN PROCESS

We receive your order for cold items

An esky of appropriate size is selected and esky bricks are conditioned in it for one hour (this prevents bricks from freezing the cold items) (the size and qty of bricks are dependent on the size of the esky and distance travel required)

The esky bricks and cold items are placed into separate ziploc bags and are packed into the esky on a bed of shredded paper and separated by cardboard

A log tag is applied to the cold chain bag which is activated before sealing the esky

The esky remains an appropriate temperature for 24 - 48 hours depending on environmental conditions

To ensure cold chain items are delivered to you as cold as they left, we only dispatch regional cold chain orders on Monday, Tuesday, and Wednesday.

TIME FOR AN UPGRADE?

Shop vaccine fridges, temperature loggers, cooler boxes, UPS & battery packs, spare shelves, and more!

RECYCLE NOW

SSS Australia is proud to now offer a FREE Recycling Service for your used Cold Chain Vaccine Eskys. To find out more contact our Customer Service team
