

# Cutan Clear Foam Handwash

## PRODUCT EDUCATION SHEET

### DESCRIPTION:

Perfume-free and dye-free gentle foam hand wash, containing conditioners and moisturisers to help prevent skin drying.

### USAGE:

Washroom areas in public facilities, hospitals, aged care and other healthcare environments.

### DIRECTIONS OF USE:

Apply one shot to wet or dry hands. Rub across all parts of the hands and rinse off with clean water. Dry thoroughly.

### SHELF LIFE:

This product has a shelf life of at least 24 months from the date of manufacture when stored unopened at room temperature.

Feature	Benefit
Perfume-free and dye-free	No added perfume or dyes. Ideal for people who are sensitive to perfumes and dyes and who prefer products which do not have these added.
High quality silky-smooth foam	Provides a very pleasant hand washing experience and leaves skin fresh after use.
Soap-free formulation with skin friendly pH value	Formulated to maintain the skin's acid mantle; a layer on the surface of the skin which acts to help support the natural bacterial balance.
Contains Glycerin	A skin moisturiser to help prevent drying and leave the skin feeling smooth after use.
Saves water and energy	Foam format can save up to 45% on water consumption and associated energy costs compared to lotion soaps.
Highly economical	Only one dose is required for an effective hand wash, providing over 1400 hand washes from each 1 litre cartridge.
Quick and easy to use	Dispensed directly as foam on to the hands, reducing the time required to create lather. Quickly and easily rinses away to leave no residues on skin or in the sink.
HACCP & GECA certified	The product has been independently certified to meet Hazard Analysis and Critical Control Points (HACCP) and Good Environmental Choice Australia (GECA) requirements.
